HACKUPC – 700 participants – 48 països

HackUPC Fall 2017 es la 4a edición del primer hackathon estudiantil de España! Reunimos durante 36h a los 700 estudiantes más apasionados y creativos de Europa en la Universidad Politécnica de Cataluña, programando en web, móvil o hardware.

Aumentando el número de la edición pasada, participarán en HackUPC **700 estudiantes**, viniendo de las mejores universidades de Europa – Oxford, Cambridge, EPFL, ETH y UCL, entre otras. Para poder asegurar calidad y diversidad durante el evento, los hackers deben
